

#mylinearcollider campaign

Please choose one of the following options that you feel comfortable.

Option 1: Video message

"Hi, I'm Tomohiko Tanabe from the University of Tokyo. I'd love to see the ILC built and do my research there."

- State your full name and institution, and a simple message supporting ILC
- It can be as short as 10 seconds.

Option 2: Picture of you holding a hand-written message

Option 3: Picture of the written message

(We understand if you REALLY don't want to show your face...)

These messages will be uploaded to YouTube and made publically available ONLY WITH YOUR PERMISSION.
