New full ILD members

2 groups have applied, voting in the IA → **accepted**
  Osaka Metropolitan University
  Albert-Ludwigs-Universität Freiburg / Institute of Physics

2 other groups have very recently applied, yet to be presented to IA

1 other group has expressed an interest to join

Change of rules for guest membership → accepted

guest members can extend membership beyond a single 2-year term
[many of our guest members have expressed an interest in this]

2022/12 : my election as IA chair

2023/2 : election of
      deputy IA chair - Auguste Besson
      spokesperson - Ties Behnke

2023/3 : approved management team proposed by spokesperson
      Deputy spokesperson: Kiyotomo Kawagoe
      Physics coordinator: Filip Zarnecki, deputy Taikan Suehara
      Software coordinator: Frank Gaede, deputy Daniel Jeans
      Technical coordinator: Mary-Cruz Fouz, deputy Karsten Buesser

2023/5 : completed election of new Executive Team members
      Jean-Claude Brient
      Jenny List
      Marcel Vos
      Graham Wilson

all terms are for 2 years

ILD's election cycle will start in the next month or so.
- IA elects chair (from among IA members)
- new IA chair
    * runs elections for spokesperson → elected by IA
    * proposes deputy → approval by IA
- new spokesperson
    * proposes management team (deputy spokes, phys., soft., tech. coordinators) → approval by IA
- IA elects 4 further ET members

It will be an exciting coming 2 years: consider contributing!
