Status and progress of e-driven positron source for ILC in KEK

Wednesday 22 October 2025 08:30 (20 minutes)

Status and progress of e-driven positron source for ILC in KEK will be reported.

Author: Dr ENOMOTO, yoshinori (KEK)

Co-authors: FUKUDA, Masafumi (KEK: High energy accelerator research organization); Mr MORIKAWA, Yu (KEK)

Presenter: Dr ENOMOTO, yoshinori (KEK)

Session Classification: Electron and Positron Sources

Track Classification: Accelerator: Electron and Positron Sources
