

# ILC Damping Rings Workshop (ILCDR06)

## Tuesday 26 September 2006

### Impedance and Impedance-Driven Instabilities - Room 229 (16:00 - 17:00)

time	[id] title	presenter
16:00	[46] Advance modeling of damping rings vacuum chamber components	Dr NG, Cho
16:30	[35] Simulations of coupled-bunch instability from resistive-wall and HOMs in ILC DRs	Dr WANG, Lanfa
