

Session Program

9-13 Nov 2026

International Workshop on Future Linear Colliders 2026

Conventional Systems and MDI

KEK

Tuesday 10 November

14:00

Conventional Systems and MDI

Session | **Location:** KEK, Bld.1-Danwasitu2

14:00–14:20 **The Civil Engineering for a Future Linear Collider at CERN**

Speaker

Edward Fraser MacTavish

14:20–14:40 **Recent study on the main beam dump**

Speaker

Dr Nobuhiro Terunuma

14:40–15:00 **Precision Luminometry updates for ILC, FCC-ee**

Speaker

Brendon Madison

15:00–15:20 **Adapting the ILD Detector for HALHF**

Speaker

Shriyansh Ranjan

15:30
