

Session Program

9-13 Nov 2026

International Workshop on Future Linear Colliders 2026

***Beam dynamics; beam delivery systems,
main linacs, damping rings***

KEK

Tuesday 10 November

14:00

15:30

Beam dynamics; beam delivery systems, main linacs, damping rings

Session | **Location:** KEK, Kobayashi-hall

16:00

17:30

Beam dynamics; beam delivery systems, main linacs, damping rings

Session | **Location:** KEK, Kobayashi-hall

Wednesday 11 November

14:30
16:00

Beam dynamics; beam delivery systems, main linacs, damping rings
Session | Location: KEK, Kobayashi-hall
