Arriving by train at main station

Main Station: Bonn Hauptbahnhof (Hbf)
Route from main station to FTD:
Shorter route

Longer route, but nicer and easier

Note: Leave the station on the side of the bus stop Colmantstraße (not direction city center).

Arriving at train station Siegburg

If you arrive at the train station Siegburg, take the tram **66** (lower level of train station). It leaves from the lower level of the train station on weekdays every 10 min. It takes about 26 min. to arrive at the main train station of Bonn.

In case this part is not included in your ticket, you have to buy a SWB ticket:
Rheinlandtarif 2: 5,50 €

Since Siegburg is a terminal station for trams, there is only one direction: to Bonn Hbf/ Bad Honnef.

Arriving by plane

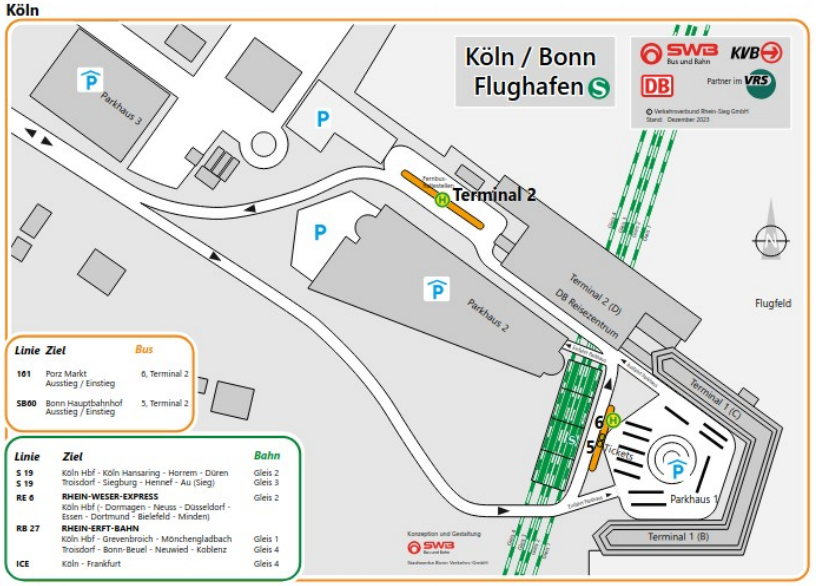

Arriving to at Frankfurt airport (FRA):

get an ICE train to Siegburg Bf (one stop – train goes 300km/h ☺)

Arriving at Cologne/Bonn (CGN)

either a taxi (~50-60€) - directly to FTD

Or the public bus SB60 (~11€) - get off at the main train station and walk from there.

List of Hotels close-by

Some hotels have a price reduction, if you say you are attending an event of the University of Bonn. Ask!
