## TPC R&D at Cornell & Purdue

*Tuesday 23 October 2007 16:10 (20 minutes)*

I will show results from the small prototype TPC at Cornell, comparing bulk Micromegas and triple GEM readouts. I will also report on status of the mechanical design of the LCTPC Large Prototype endplate.

**Presenter:** Dr PETERSON, Daniel (Cornell)

**Session Classification:** ALCPG Detector Session II - Tracking
