

Session Program

11-13 Oct 2007

BDS - KOM

System integration and optimization 2

SLAC, ROB

Friday 12 October

13:30

System integration and optimization 2

Session | Location: SLAC, ROB

13:30-14:00

Seismic safety and life safety requirements and their effects on the design

Speaker

Mr Fred Asiri

14:00-15:00

Power supply and cooling facility optimization discussion

Speakers

Dr Cherrill Spencer, Emil Huedem, John Tompkins, Lee Hammond, Mr Paul Bellomo, Tom Lackowski

15:00
