

Session Program

10 September 2007

3.9GHz Engineering meeting

3.9 GHz

The Hermitage

Monday 10 September

09:25

3.9 GHz

Session | **Location:** The Hermitage

09:25–09:40

Report on test results of 3.9 GHz Helium vessel weldment from Ameriflex

Speaker

Cooley, Hairong

10:00–10:10

Helium vessel status -- welder certification

Speaker

Foley

10:10–10:25

Helium vessel welding issues -- welder certification -- procedure

Speaker

Mitchell, Foley

10:25–10:35

Status of cavity No. 7 and Cavity No. 8

Speaker

Foley

10:35–10:50

Schedule for scanning 3.9 GHz blanks for single-cell cavities

Speaker

Cooley

10:50
