

## **Session Program**

**10 December 2007**

# **3.9GHz Engineering meeting**

***3.9 GHz***

The Hermitage

# Monday 10 December

09:00

## 3.9 GHz

Session | Location: The Hermitage

09:00-09:20    **Status of Hi Tech weld sample**

**Speaker**

Alsip, Johnz

09:20-09:40    **Revision of helium vessel drawings**

**Speaker**

Foley, Mitchell

09:40-09:50    **Cavity No. 5 helium vessel status**

**Speaker**

Foley

09:50-10:00    **Schedule for completion of four single-cell cavities**

**Speaker**

Foley

10:00-10:10

**Discussion on expected frequency change at each cavity fabrication step**

**Speaker**

Timer, Elmar

10:10
