

# ILC-ECFA Workshop 2008

## Tuesday, 10 June 2008

### 2. SUSY - room E (11:00 - 12:30)

| time  | [id] title  | presenter             |
|-------|---|-----------------------|
| 11:00 | [29] Hunting the invisible sneutrinos at the ILC                                | ROBENS, Tania         |
| 11:20 | [31] CP violation in chargino production at the one-loop level                  | ROLBIECKI, Krzysztof  |
| 11:40 | [32] A study of the sensitivity of the ILC to the di-muon decay of Neutralino-2 | D'ASCENZO, Nicola     |
| 12:00 | [38] Analysis on Smuon Pair Production at ILC based on Full Simulation          | CHEN, Xun             |
| 12:20 | [153] CP-effects in squark decay chains at LHC and ILC                          | MOORTGAT-PICK, Gudrid |
