

Session Program

2 July 2008

7th SiLC Meeting at CERN

Test beams

CERN

Wednesday 2 July

11:10

Test beams

Session | Location: CERN

11:10-11:25

Generic information about the testbeam at the SPS

Speaker

Wolfgang Kiesenhofer-Vienna

11:25-11:45

Testbeam June 2008: First tracking results

Speaker

Peter Kvasnicka and Zdenek Dolezal-Prague

11:45-12:00

Preparation for the test beam in October at CERN

Speaker

Marcos Fernandez (IFCA) and Aurore Savoy-Navarro (LPNHE)

12:00-12:20

Analysis of the 130nm data (test bench and Last October CERN test beam)

Speaker

Catalin Ciobanu (LPNHE)

12:20-12:40

Defining common analysis framework and monitoring tools (proposal+discussion)

12:40
