

Vancouver Linear Collider Workshop/GDE Meeting

Friday, 21 July 2006

ALCPG Theory Rally - Henn 202 (13:30 - 15:30)

time	[id] title	presenter
13:30	[107] Probing the Supersymmetric Origin of Matter at the ILC	CARENA, Marcela
14:10	[108] Determining the parameters of the Lagrangian	ZERWAS, Dirk
14:50	[109] QCD and precision calculations at the ILC	WACKEROTH, Doreen

ALCPG Theory Rally - Henn 202 (16:00 - 18:00)

time	[id] title	presenter
16:00	[110] What if the LHC finds only a Higgs?	LOGAN, Heather
16:40	[111] Correlating flavor physics with precision ILC measurements	PEREZ, Gilad
