

Advanced QED methods for future accelerators

Tuesday, 3 March 2009

Session 2: IFQED calculations - Walton Room C (16:20 - 18:00)

time	[id] title	presenter
16:20	[8] Vacuum polarization effects in intense laser fields	Dr DI PIAZZA, Antonino
16:55	[9] Compton Scattering at High Intensities	Dr HEINZL, Tom
