

## **Agenda and notes for 6 April 2006**

### **Agenda**

1. Requirements gathering exercise: updates and reports from points of contact (follow table of POCs)
2. Review schedule of upcoming meetings
3. Preparation for next week's telecom with BDS folks. Topics, issues?
4. Preparation for April 20<sup>th</sup> telecom with Linac folks. Topics, issues?

### **Notes:**

The Indico meetings page is being updated with meetings and agendas. Plan to use that as the master calendar for future meetings:
