Status of
the FPCCD software

Physics and Software meeting

2011/04/01
D.Kamai (Tohoku University)

Current status

■ I am maiking the working environment on my PC.

— gird-ui was installed.

— ilcsoft was installed.

— File transfer

start the transfer from kekcc.

some file may be corrupted.

After the transfer, I can work on the environment like until now.

■ The first, range cut study will be done.
