

**Session Program**

**26-30 Sept 2011**

**International Workshop on Future Linear  
Colliders**

***M3: Implications of 2011 experimental  
results for physics at future lepton colliders***

Palacio de Exposiciones y Congresos, Granada, Spain

## Monday 26 September

18:00

### M3: Implications of 2011 experimental results for physics at future lepton colliders

**Session** | **Location:** Auditorio Manuel de Falla | **Conveners:** Gudrid Moortgat-Pick, Michael Peskin

19:30

18:00–18:25

**Discussion kick-off contributions**

18:25–19:30

**Open discussion on implications of 2011 experimental results**
