

Those who made LCWS12 possible

- UTA Physics department, Office of the Dean of College of Science, Office of Vice President of Research, Office of Provost and Office of President
- ICFA, ILC, GDE, CLIC and DOE
- Bailey Tool and Manufacturing: Our strong supporter!
- The 60 student volunteers!
- Chris Jackson: Our student volunteer supervisor
- Stephanie Edgett and Augustine: UC conference organizer and head technology expert
- Tina Gill – Our UC Dining Service Manager
- Traci Peterson: Our publicist
- Lori Norris: Our public event organizer/Local HS contact
- Greg Pederson: Our public event organizer
- Fred Olness (SMU) and Shelly Frank (UTA): Our fundraisers

Those who made LCWS12 possible

- Mark Sosebee: Our computer and network expert
- Victor Reece: Our web master
- Stacey Cody, Robin Gaines and Bethany Harris: Our physics office staff and financial accounting experts
- Alexia Augier: Our anchor at the registration desk from CERN
- Margie Jackymack: Our mother goose!
- Most importantly, ya'll the LCWS12 participants who were patient and generous with us

Thank ya'll for coming!

Have a safe journey back home!!
