### Welcome to the International Workshop on Future Linear Colliders

The 2012 International Workshop on Future Linear Colliders (LCWS12) will be hosted by the University of Texas at Arlington. The workshop will be held on Oct. 22 - 26, 2012 on the campus of the University of Texas at Arlington, Texas, USA.

The workshop will be devoted to the study of the Physics case for a high energy linear electron-positron collider, taking into account the recent results from LHC, and to review the progress in the detector and accelerator designs for both ILC and

CLIC projects.

LCWS2012 LC Report

Apr. 13, 2012

- Conference Venue

- Plenary sessions on Monday and Friday in Texas Hall
- Reserved 14 rooms for parallel sessions in Univ. Center
  - Three rooms used for lunch everyday so limited availability
    - Blocked from 9am – 4pm
- One room of capacity 50 in Chemistry and Physics building plus 140 seat and 50 seat planetariums

- Lodging

- Seven local hotels available on the web site
- Participants self reserve
- Conference rates: \$79 - \$109
- Shuttles available

Apr. 13, 2012

LCWS2012 LC Report

LCWS12 International Workshop on  
Future Linear Colliders University of Texas at Arlington, USA  
10-18 October 2012

- Social programs
  - Sunday, Oct. 21: Open for early registration (6 – 8pm) plus mini-reception
  - Monday, Oct. 22: Conference reception
  - Thursday, Oct. 25: Conference Banquet
    - Working with Cowboy stadium
  - Looking into a few additional, self-paid outings
    - Texas Rangers World Series games
    - Cowboys Football games
- Organized companion programs
  - Campus tour plus planetarium show (minimal cost)
    - Companions invited to the reception
  - Fort Worth Stock Yard
  - Outlet mall shopping
  - Cowboys stadium tour

# Funding Proposals and Registration

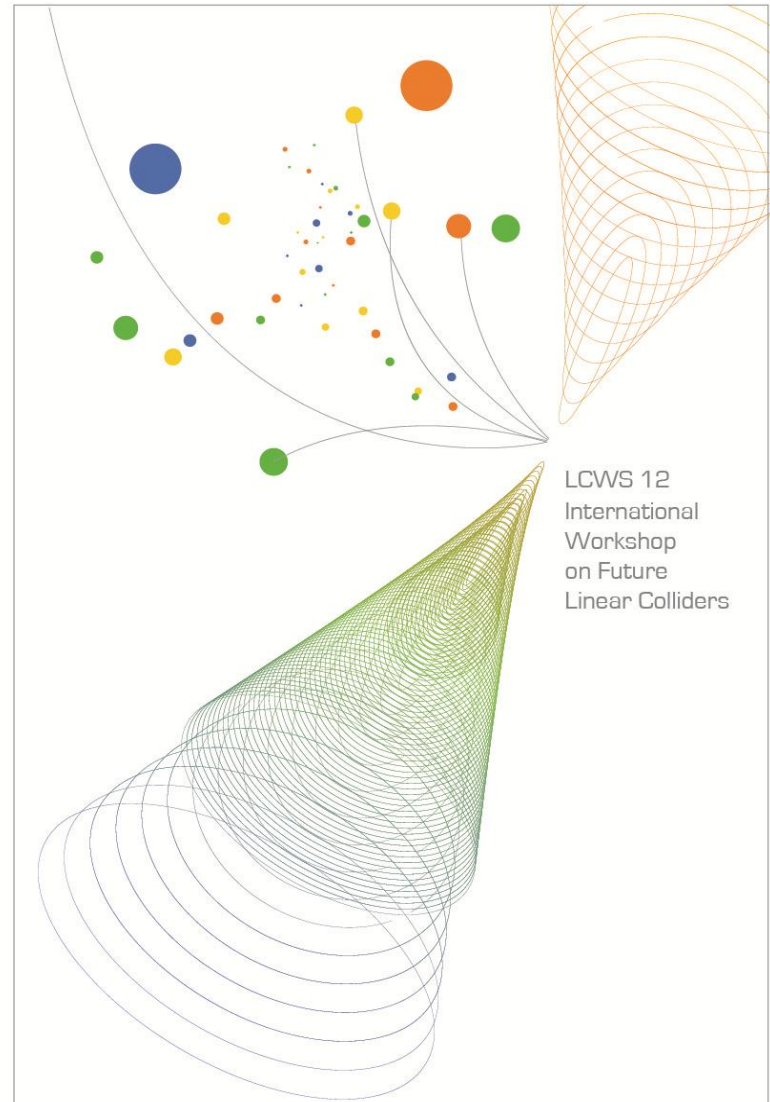

## Fee

- Submitted proposals for funding to DOE & NSF
  - DOE: For conference equipment rental and conference organization ~10k
  - NSF: For 10 – 12 young physicist support ~ 8k
    - Need to form a committee to evaluation
    - Application page needs to be prepared
- Looking into bringing in more local sponsors
- Registration
  - Plan on opening online registration by 4/21/12
  - Include soon-to-be-finalized registration fee
  - Companion banquet, Organized companion program options and fees

# Conference Poster

- Design completed
- Need finalized committee member names
- Printing and distribution through Fermilab conference office
  - Requires 6 weeks to distribution

- Invitation letters for US entry visa
  - The first invitation letter has been issued yesterday
  - Linked from the visa letter request page after the completion of registration
  - Need to be issued as early as possible
    - Formation of the program committee, working group conveners and their speaker selections critical
- Public outreach program
  - Contacted communicators, Maxine and others
  - A night of physics and music?
    - A joint performance of music followed by an arousing physics lecture → Wednesday?
    - Charge public for this?
