

# DHCAL and the DBD

**José Repond**  
**Argonne National Laboratory**

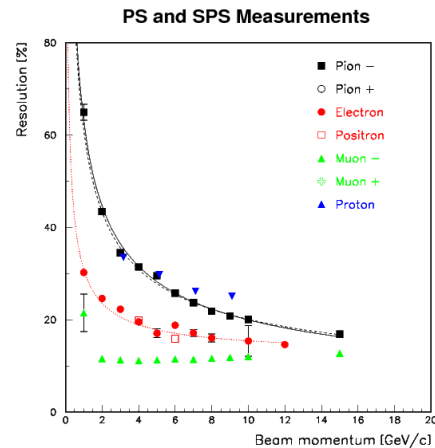

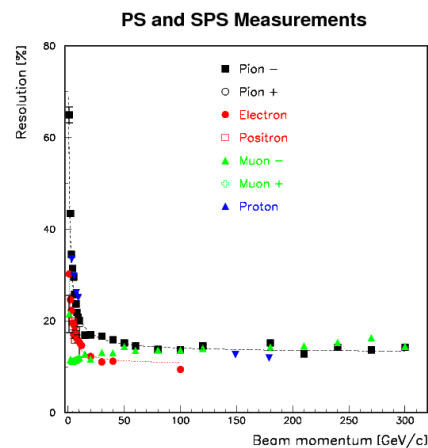

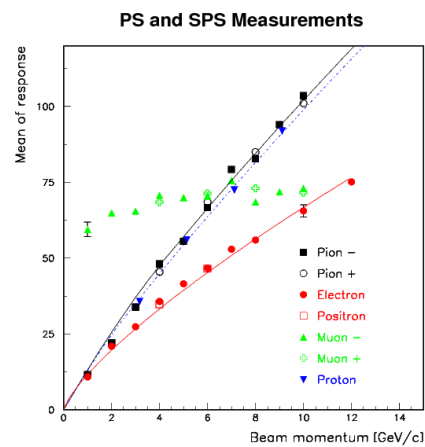

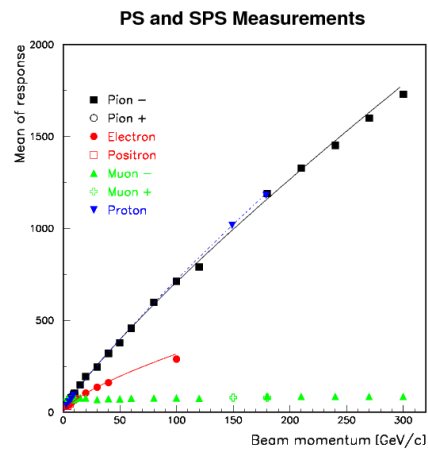

CALICE Collaboration Meeting  
September 17 – 19, 2012  
Cambridge, UK

Text almost final...

## Would like to include results from CERN

- Analysis essentially completed as much as currently possible
- Note being drafted (should be released within 1 – 2 weeks)
- Goal is to present these results as preliminary in Arlington

## **SiD DBD**

Lei Xia contact person for the DHCAL

Recent activity to come up with a concept/design for the HCAL

Some of it will find its way into the DBD
