

## Maintenance of jlccpuss02

- A raid for /data14, /data15, /data16 were initialized.  
3 disks were replaced. Files in /data{14,15,16} were lost.
- jlccpuss02 is now up now, but need some more time for checking.

## Future Meetings

- Dec. 20/21 Tokubetsu Suishin Annual meeting
  - Software session plan (hope)
    - 1 Overview
    - 2 ECAL SSA
    - 1 LCFA
- A small software expert meeting: CERN at 31 Jan to 1 Feb

Topics would be

DD4HEP ( for Sim and Rec. inc. Tracking)

PFA and LCFI status and plan after DBD

Common LC GRID management

aob

## Notice to HSM users to KEKCC

- Please follow the request described in the mail to ilcusers mailing list.  
It is important to avoid crashes of batch servers
