

Farewell

CALICE Collaboration Meeting
September 2015
Munich, Germany

Max-Planck-Institut für Physik
(Werner-Heisenberg-Institut)

A successful meeting

- 61 participants - covering a wide range of different topics within CALICE
- Constant progress - and still a lot to come
- Diverse non-LC applications of CALICE calorimeter concepts and technology
 - Imaging calorimeters are turning into the standard for upgrades and future experiments

Next Meeting(s)

- Next CALICE Meeting: March 2016 - Exact dates to be defined
- “CALICE day” at ECFA LC Workshop in Santander, Spain, June 2016
- Fall 2016 meeting to be defined

Next Meeting(s)
