

AD&I: Next Steps (some ideas)

- **Monthly ADI meetings have taken a hiatus**
 - ▶ Proposed to start **Thursday June 4**
 - now first Thursday of the month
 - ▶ First meeting will be focused on 2015A release/CR - next point
- **Lattice 2015A formal release**
 - ▶ Submit CR in two weeks (June 4 ADI meeting - see below)
 - ▶ Attached "Release notes" which contain
 - known things missing from TDR
 - Start of a list of modifications pending (inc. CR-2)
 - ▶ Request "review" of 2015A from all WG coordinators.
- **Themes (from ALCW2015 towards LCWS2015)**
 - ▶ Central region layout (organisation/scope/plans, integration with KEK team,...)
 - ▶ Crossing angle reduction revisited
 - ▶ Further physics running scenario studies (Z-pole, W a-symmetric,...)
 - ▶ Tunnel radiation levels (shield wall — on going)
 - ▶ ...
