The European Linear Collider Workshop 2016 (ECFALC2016) will take place at the Palacio de la Magdalena in Santander (Spain) in May,30th-June,5th, 2016. The workshop will continue the international workshops devoted to accelerator, physics and detector aspects of future high energy electron-positron linear colliders (ILC, CLIC). The workshop is co-hosted by ECFA and LCC and will consist of accelerator sessions, several mini-workshops of detector concept and R&D groups as well as physics and Plenary sessions.

We are looking forward to seeing you in Santander !

Alberto Ruiz- Jimeno, Chair of the Local Organizing Committee

Iván Vila, Chair of the Local Organizing Committee

Request input from WG coordinators:
- if they would like to have time?
- how many session blocks (1.5 hour) they would like to reserve?
