

Report from Physics Coordinator

Keisuke Fujii
July 13, 2016

Action Items

Mailing lists:

ML primarily for WG conveners, coordinator, and deputy:

ild-physics-conveners@desy.de created by Jenny

Use this mailing list also to send talk request.

Subgroup mailing lists:

ild-physics-bsm@desy.de created by Mikael

ild-physics-top@desy.de Roman

ild-physics-higgs@desy.de created by Graham

mainly for communication among **active** people, not so much for every interested ILD member to stay informed

List of activities:

WG conveners are compiling on-going/planned analyses

Higgs/EW, BSM: list almost complete

WG meetings:

→ ***WG conveners***

Physics focus schedule

July 13: BSM
July 27: Higgs/EW
Aug 10: BSM
Aug 24: top/QCD
Sep 7: Higgs/EW

Clarification:

Software talks (organised by Frank&Akiya) will come in addition, as well as the overall software and physics coordination updates in the beginning of each meeting.
