

# International Workshop on Future Linear Colliders, LCWS2018

## Tuesday, 23 October 2018

### Sources 3 - Carlisle Club (14:00 - 16:00)

time	[id] title	presenter
14:00	[228] Status of material load experiments at MAMI in Mainz	USHAKOV, Andriy
14:30	[229] Status of Target R&D for undulator-based e+ source	RIEMANN, Sabine
15:00	[230] A Study of Realistic Undulator Field for Positron Generation	Mr ALHARBI, Khaled
15:30	[231] Optimization of undulator parameters for 125 GeV drive beam	Mr FORMELA, Manuel
