Pedestal Memory Cell Offsets

- Infrastructure for handling pedestal memory cell offsets is there

- **calice_reco** (branch: **feature/MemCellPedestal**)
  calice_userlib (branch: **feature/MemCellPedestal**)

- *PedestalMemoryCellOffset* DB collection

- Reconstruction implemented

- Tested with dummy values (iterating -100 / +100)

- **Full chain from uploading to reconstruction seems to work**
