

## Guidelines for Zoom Connection

Ensure you allow permission to camera and audio when joining a meeting.

Use your full name as the display name so that other participants know who you are.

(To change your display name: Select 'Participants' button in the toolbar, tap your name in the list and click 'Rename'.)

Mute your microphone when not speaking, in order to avoid echo.

To speak or ask a question: Use the 'Raise your hand' function, then unmute your microphone.

## Photo session during the plenary session

Around 22:40 JST today, there will be a photo session among all participants.

Please join us by enabling your camera!
