

# ILC Workshop on Potential Experiments (ILCX2021)

## Thursday, 28 October 2021

### R-2: Machine - Sources: ILC Accelerator source session - Room #2 (21:30 - 23:59)

-Conveners: Masao Kuriki

time	[id] title	presenter
21:30	[135] E-driven positron source R&D by industry-government-academia collaboration	TAKAHASHI, Tohru
22:00	[134] Target R&D of E-Driven positron source	OMORI, tsunehiko
22:40	[136] Beam-loading Compensation on Capture Linac of E-Driven Positron Source	KONNO, Shun
23:10	[133] System integration of E-Driven positron source	KURIKI, Masao
